**DISCOUNTS**

**NOTE:** Discounts offered at specific toll plazas for frequent users, as well as qualifying local users still apply. Application for discounts can be made at the toll plaza offices.

**VEHICLE CLASSES APPLICABLE TO CONVENTIONAL TOLL PLAZAS**

Vehicle classes at conventional toll plazas are determined by the number of axles. Please refer to Government Gazette No. 42209 of 2019.

Toll fees allow for a continuous revenue stream provided by those that make use of a tolled road. Toll fees mean there will always be funds to optimally maintain roads which in turn saves money in the long run and ensures safer roads.

Roads need to be kept in optimal condition at all times. They deteriorate over time due to wear-and-tear from traffic loading (especially trucks) and climate (rainfall and UV radiation). The maintenance of roads is not a once-off occurrence – it is a continuous process to ensure optimal performance.

**THE COLLECTION OF TOLL FEES ALLOWS US TO (AMONGST OTHERS):**

- Clean drains to ensure effective drainage of rainwater
- Cut grass to improve visibility and reduce risk of veldfires
- Seal surface cracks and fix potholes
- Maintain road signs and markings
- Respond to crashes and clean-up debris
- Resurface the road on periodic basis
- Add additional lanes when required.
