An International Driving Permit (IDP) is a legal travel document regulated by the United Nations, and it is for your protection and safety. IDPs can be helpful if you find yourself in need of identification or assistance while travelling abroad. An IDP is a valid form of identification in more than 150 countries worldwide and contains your name, photo and driver information in several languages – so it is understandable to most of the local officials and authorities of the countries you visit. In no way does it diminish the obligation of the holder to conform strictly to the laws and regulations of the countries you visit. A valid IDP provides validity of your local license as well as easing the burden in the event of an accident. Complete & submit your application form online aa.co.za/internationaldriving-permit

What do I need when collecting my IDP?

- Valid South African driver's licence.

Carnet de Passage en Douane

The **Carnet de Passage en Douane** (CPD) is an international customs document, which covers the temporary admission of motor vehicles.

The CPD is still required today, in numerous countries around the world, for the temporary admission of private vehicles and motorcycles. It facilitates the temporary importation of motor vehicles by providing security for the payment of any customs duties and import taxes chargeable, should the vehicle not be reexported. AASA is the only authorized issuer of the FIA Carnet booklet to citizens of South Africa, Botswana, Namibia, Lesotho and Swaziland.

Foreign registered vehicles in South Africa & Namibia – Renewal of Foreign Carnet.

Carnets issued for vehicles entering South Africa on a temporary basis are normally valid for one year. If the carnet holder wishes to keep the vehicle in SA for a further year, permission must be granted by the South African Revenue Service. This is arranged for you by the AA's Head Office. The process is known as substitution.

Membership is for 12 month periods from the date of activation. Your payments must be up to date for you to be entitled to the benefits of Membership.

The cost of Membership will increase each year.

You have the right to cancel your Membership in writing within five business days of the date on which your Membership first becomes active (the 'cooling off period'). The following refund policy will apply for Members cancelling within the cooling off period:

- If you have utilised any of our services during the cooling off period, you will receive a full refund of the total Membership fee paid, less our charges for services rendered. Such charges will be charged at Member-preferred rates. If you were paying for your Membership by direct debit you authorise us to take the relevant additional amount from your nominated account by direct debit.

Please see below regarding the deemed cancellation of your Membership due to unpaid debit orders.

To be eligible to receive any services you must be present at the vehicle/incident scene and produce personal identification in order to confirm your AA Membership.

Membership entitlements do not cover incidents that happened before you joined us.

We provide services in South Africa. Should you require assistance in Lesotho, Swaziland, Namibia or Botswana we shall attempt to assist but do not guarantee that we can assist.

We do not guarantee response times since these will vary depending on various factors e.g. location, traffic, weather conditions and the demand for assistance at the time of your request.

It is your responsibility to keep your contact details up to date.

We may introduce new services and/or amend and/or cancel existing services without prior notice.

Without prejudice to any of our other rights, we reserve the right to deny services and refunds to, and cancel the Membership of, any Member who in our opinion is or has been, abusive, threatening or violent toward any AA staff member, or who attempts to receive services (including refunds) by deception.

We may amend any of our terms and conditions at any time. The amended terms and conditions shall take effect from the date they are published on our website. **Where there is a need for clarification of our terms and conditions or relating to your entitlements, our reasonable interpretation will be deemed to be final.**

Payment for any service is not guaranteed unless our prior authorisation has been obtained.

Where payment is required by you for services over and above your entitlement, you will be required to make the payment prior to, or on completion of the service. You may be required to pay the service provider directly.

We offer no warranties with regard to any of the services we offer.

All our terms and conditions contain the entire agreement between you and us and we shall not be bound by any undertakings, representations or warranties not recorded in them.

No indulgence, latitude or extension of time we may grant or show to you shall constitute a novation of our terms and conditions, nor shall it in any way prejudice us or preclude us from exercising any of our rights in the future.

In order for us to be able to locate you and your vehicle you must provide us with the correct and accurate location. We recommend you download the AA App to ensure accuracy and speed of response. If you provide incorrect or incomplete information it may result in delay and/or additional costs for your account.

1. LIMITATION OF LIABILITY AND INDEMNITY

To the fullest extent permitted by law neither we nor our service providers will be liable for any loss or damage suffered as a result of any services we or our services providers render, or fail to render.

Without prejudice to any other remedy available to us, you indemnify us and our service providers against any loss or damage suffered by us and/or our service providers as a result of you and/or any person receiving a service via your Membership breaching any of our terms and conditions. This benefit may be accepted by our service providers at any time.

2. PERSONAL INFORMATION

We hold your personal information securely. Please see our **PRIVACY POLICY** for further details <https://www.aa.co.za/privacy-policy>.

3. DEBIT ORDERS

Please note that AA Membership is for a 12 month period and payment is reoccurring. We may automatically re-submit the debit order up to three times on the next debit order run (1st, 15th and 25th of the month). We may contact you during a period of 150 days following the first failed debit order to attempt to rectify the non-payment(s). If your Membership has not been restored during this period it will be deemed to be cancelled and you will be required to pay, without prejudice to any of our other remedies, a reasonable cancellation penalty which will partly depend on how many of our services you have used during your Membership.

Each assistance in excess of 5, or where the number of unique vehicles per customer is in excess of 2, will be individually considered in terms of the AA's FAIR USE POLICY.

5. *FAIR USE POLICY

The AA is a non-profit company. The prices and benefit entitlements for each Membership option have been carefully calculated using industry norms and our own historical usage patterns. It is therefore imperative that benefits are not abused. The AA reserves the right to charge for assistances where it becomes apparent to the AA, in its discretion, that the number or types of assistances requested by a Member, or the number of vehicles in respect of which the Member requests assistance, is unreasonable. In coming to such a decision the AA will take into account the historical usage of benefits by that Member.

5. PATROL SERVICES

Patrol Services are only available in Urban areas and provide the following assistance:

5.1 General roadside assistance

Roadside assistance is limited to the assistances detailed below, minor electrical and mechanical diagnoses, changing a flat tyre and jump starts. Our roadside assistance service does not carry out repairs to vehicles. If we dispatch a patrol vehicle but your vehicle remains immobilised, we shall tow your vehicle in accordance with your towing benefit entitlements.

5.2 Fuel Rescue

If your vehicle runs out of fuel, we will supply up to 10 litres of fuel to allow you to reach the nearest filling station. If you require more than 10 litres of fuel, you will be liable for the cost of the additional fuel. Please refer to **BENEFIT LIMITS** for further details. All fuel rescue assistances are subject to us being satisfied that the vehicle has actually run out of fuel.

5.3 Keys locked in vehicle

We shall assist you if you lock your keys in your vehicle. If our patrol service is unable to assist we shall procure the services of a locksmith **and will cover the cost up to R643 (including VAT). Any additional cost will be for your account.** We only cover the cost of the call out and for unlocking the vehicle. We will not, for example, cover the costs of the repair/replacement of locks, ignition switches or key cutting. Please note a locksmith may be unable to assist in the case of keyless entry vehicles etc. You may be required to pay the locksmith directly and recover the cost from us – see **REFUNDS** below.

5.4 Flat tyre change

We shall change a flat tyre with your spare tyre if we are able to e.g. we shall not be able to change your tyre if your spare tyre is not in a roadworthy condition or if we are unable to remove the spare tyre from its housing. If we are unable to change the tyre or if your vehicle does not have a spare tyre we shall tow your vehicle in accordance with your towing benefit entitlements. We do not pay for the repair of a damaged tyre or rim.

5.5 New batteries

If your vehicle's battery cannot be jump-started, we can sell and fit a new battery at preferential Member rates on the spot, subject to availability. If we are unable to assist we shall tow your vehicle to a battery shop in accordance with your towing benefit entitlements.

All batteries come with a national 24 month battery warranty. Should an AA-supplied battery be replaced within the 24 month warranty period, only the balance of the original warranty period will apply. The price of the new battery is based on the return of the old battery to the AA for environmental and safe disposal. If you wish to retain your old battery, a scrap charge will apply.

6. EMERGENCY MEDICAL SERVICES

By using the services detailed below (the 'services'), you are agreeing to be bound by these terms and conditions.

'We', 'us', 'our' and like terms refer to the Automobile Association of South Africa NPC ('AA') (and where applicable our service providers) and 'you', 'your' and like terms refer to you, the person receiving services from us.

We may amend any of our terms and conditions at any time. The amended terms and conditions shall take effect from the date they are published on our website.

Where there is a need for clarification of our terms and conditions, our reasonable interpretation will be deemed to be final.

All our terms and conditions contain the entire agreement between you and us and we shall not be bound by any undertakings, representations or warranties not recorded in them.

To obtain access to the services you must call the AA on 0861 000 234. You may not call our service provider directly.

The services are only available in South Africa.

We do not guarantee the availability and/or provision of the services.

The services do not include search and rescue services.

By using any of the services you are authorising our service provider (currently Netcare 911) to attempt to recover its costs for providing the services from the Workmen's Compensation Fund and/or from the medical scheme to which you may belong and/or any other party who has a responsibility and/or an obligation to pay for the services. If our service provider is unable to recover its costs the AA as a non-profit company will pay the costs as a payer of last resort. You agree to provide all the assistance we ask for to enable our service provider to recover its costs from a party other than the AA and irrevocably appoint the AA as your agent in this regard.

Where the Emergency Medical Condition is attributable to the act or omission of any third party under circumstances entitling you to recover damages for such Emergency Medical Condition from such third party or otherwise, you hereby to cede your rights of action against such third party or otherwise to the AA to the extent of the amount paid by the AA for the services.

The AA will not pay any of our service provider's costs if you do not adhere fully to these terms and conditions and/or you are not entitled to use the services. You will be liable to pay such costs yourself.

LIMITATION OF LIABILITY AND INDEMNITY

To the fullest extent permitted by law neither we nor our service providers will be liable for any loss or damage suffered as a result of any services we or our services providers render, or fail to render.

This benefit may be accepted by our service providers at any time.

The provision of the services is subject to a fair use policy. If we decide, in our absolute discretion, that you are not using the services fairly we reserve the right to cancel your entitlement to the services.

7. TOWING SERVICES

Please note if we tow your vehicle you are also agreeing to the additional terms and conditions set out below under **IMPORTANT INFORMATION**.

If you are further than 100km from your home please refer to **EXTENDED BENEFITS** below.

Please note that only AA Jubilee+ and AA Advantage+ Membership options include tows required as a result of an Insured Event.

Only the following vehicles may be towed:

- vehicles in which you as a Member were travelling (either as a passenger or a driver), or if a vehicle owned by you will not start;
- vehicles having a gross vehicle mass of less than 3.5 tons;
- vehicles that may be legally used on South African public roads;
- vehicles that do not exceed 5.5m in length, 2.5m in width or 2.6m in height; and
- vehicles in a roadworthy and working condition prior to the incident.

We shall attempt to provide assistance in relation to motorbikes, caravans and trailers but do not guarantee that we can assist. Taxis and other vehicles used for commercial purposes are not covered.

We are only able to tow vehicles that are accessible e.g. the keys must be available to enable us to enter the vehicle and to unlock the steering mechanism.

Depending on the information you give us we will decide in our discretion whether to send a patrol vehicle or to send a tow truck. If necessary, we will tow your vehicle to a place of safety or repair of your choice.

Save as set out below, vehicles will only be towed from the scene of the breakdown or Insured Event.

You must remain with your vehicle and present identification when our service vehicle arrives. If you are not at the vehicle when the service vehicle arrives the service vehicle may leave the scene.

Should the tow occur after hours and no repair centre is open, or if your preferred repairer is unable or unwilling to accept the vehicle, the AA will ensure the vehicle is safely stored, either by towing it to your home or to the AA or an AA-approved storage facility. The first night's storage is free but any storage costs (charged at a daily rate) over and above this will be for your account. The following morning we will tow your vehicle to a place of safety or repair of your choice.

Tow truck drivers are not permitted to attempt any repairs.

You are responsible for booking your vehicle with a repairer, although we will assist with bookings with AA Quality Assured repairers where possible.

In instances where an AA tow truck is not available one of our AA-approved contractors may be used. You may be required to pay the AA-approved tow contractor we have dispatched and request a refund from the AA – please refer to **REFUNDS** below.

If you cancel a tow after we have dispatched a tow vehicle, this will count as an assistance in terms of your Membership entitlement.

Where specialised recovery or salvage equipment is needed, the cost of equipment and labour will be for your account.

If you do not wish to use our **TAXI SERVICE** offering (see below), our tow trucks will give a lift to those passengers up to the legal capacity of the towing vehicle to the place where your vehicle is to be dropped off. Any further travel will be for your own account. Please note this applies to tow trucks only and not our Patrol vehicles. No passengers are allowed in a vehicle being towed or transported. We can assist you in arranging additional transport for passengers who cannot be accommodated in the tow truck, but the costs will be for your account.

Should you breakdown with your pet, the AA will transport your pet in the AA tow truck cabin if your pet can be placed into a proper transporting cage provided by you. Should this not be possible, your pet will be required to travel in the vehicle being towed. In the event you are incapacitated, the AA will attempt to coordinate the rescue of your pet from the breakdown scene in conjunction with the SPCA and inform you of your pet's whereabouts as soon as possible. Although every effort will be made to ensure your pet's safety, we do not accept responsibility for your pet's well-being.

8. TOWS REQUIRED AS A RESULT OF AN INSURED EVENT

Please note tows required as a result of an Insured Event are included in the towing benefit entitlement in the case of AA Jubilee + and AA Advantage + Members only. Other Members will be charged on a pay-on-use basis at preferential Member rates. If your insurance company instructs us to tow the vehicle to a specific destination (for example for the vehicle to be assessed), we shall tow the vehicle in accordance with your insurance company's instruction. Only one such tow is allowed per vehicle per incident, although if the tow occurs after hours and no repair center is open, or if your preferred repairer is unable or unwilling to accept the vehicle, the AA will ensure the vehicle is safely stored, either by towing it to your home or to the AA or an AA-approved storage facility. The first night's storage is free but any storage costs (charged on a daily basis) over and above this will be for your account. The following morning we will tow your vehicle to a place of safety or repair of your choice.

9. EXTENDED BENEFITS

These terms and conditions apply if you require assistance more than 100km from your home. Your home address must be correct on our records in order for you to be eligible for Extended Benefits.

This benefit is only available in South Africa.

Not all Membership options include Extended Benefits and all Extended Benefits are subject to various limits – please refer below and to **BENEFIT LIMITS**.

Please note in particular:

- Extended Benefits are only available 72 hours after your AA Membership has been activated; and
- Extended Benefits are only paid by us to the extent you have sufficient funds in your Extended Benefit wallet. Anything exceeding this will be for your account.

9.1 Accommodation

We will arrange and pay for overnight accommodation, subject to availability, for you and up to four passengers travelling with you. The choice of overnight accommodation is at the discretion of the Emergency Call Centre, and we will cover the cost of bed and breakfast accommodation only, to a maximum of R320 per person. You may need to settle the accommodation account and claim back from us – see **REFUNDS** below. Any costs over and above the accommodation costs covered by us will be for your account.

Please note your normal towing benefit remains available to you as per your Membership entitlement.

OR

9.2 Transport arrangements

If you prefer to continue your journey, or to return home, we will arrange transportation to help you reach your destination by the most direct route. If, at our discretion, car hire is the most suitable arrangement, we will pay for one day/D5s (24 hours) car hire for a Group B Vehicle. You will be required to sign a separate agreement with our service provider containing their standard terms and conditions. We will only be responsible for the car hire cost (with the service provider's standard waiver), the kilometre and the delivery charges. You will be personally responsible for all other costs. These costs may include, but are not limited to:

- One way drop off fee;
- Excesses upon an insurance claim;
- Additional insurance;
- Charges for baby seats;
- Valet charges;
- E tolls;
- Traffic fines and traffic fine administration fees.

The maximum amount payable towards this assistance is R1,600.

If, at our discretion, you require transport to fetch your vehicle after it has been repaired, we may, provided the place of repair is more than 100km from your home, pay for another day's car hire on the same terms and conditions set out above.

Please note your normal towing benefit remains available to you as per your Membership entitlement.

OR

9.3 Long distance towing

We will tow your vehicle at Member-preferred rates until your Extended Benefit wallet is exhausted. Once you exceed the available funds, you will be responsible for the additional towing charge.

Please note your normal towing benefit remains available to you as per your Membership entitlement. This can be added to your Long distance towing benefit. Once this tow distance is exceeded the costs will be for your account at preferential Member rates.

The Extended Benefit wallet may only be used for Extended Benefits provided by us. Unused funds in your Extended Benefit wallet do not roll over and may not be cashed out.

10. IMPORTANT INFORMATION

If we tow your vehicle you are agreeing to the following:

- **If you do not specify a destination to which the vehicle must be towed, we shall tow the vehicle to a destination we in our discretion deem to be suitable.**
- **You agree to pay for all charges not covered by your Membership entitlement without set-off or deduction. These charges are either payable in advance or on presentation of an invoice, whichever is the earlier. We reserve the right to charge interest at the maximum permissible rate on unpaid charges from the date the payment became due to the date of payment compounded monthly in arrears. If we approach an attorney to recover our charges, you agree to pay our legal costs on an attorney and own client scale.**
- **We have a lien over the vehicle as security for all amounts due to us.**

- **You warrant that you are the owner of the vehicle being towed or have the authority of the owner to have the vehicle towed. Without prejudice to the general indemnity stated earlier in these terms and conditions, you indemnify us against any loss or damage suffered by us as a result of this warranty not being true.**
- **You agree that should the vehicle not be reclaimed within 90 days from the date of towing, or should your indebtedness not be settled within 90 days after having become due, we shall be entitled, without further notice:**
 - **to sell the vehicle in such a manner and on such terms and conditions as we deem fit;**
 - **to apply the proceeds of any sale (after deducting all expenses thereof) in payment or reduction of any amount due by you to us (including storage charges), and any surplus shall be paid over to you after the sale (if we are able to locate you).**

11. TAXI SERVICE

This is a pay-on-use service provided by Uber and is subject to availability and Uber's terms and conditions. It is only available in those areas where Uber operates.

If you have any queries you should not contact Uber but contact the AA on 0861 000 234.

We shall obtain a quotation from Uber and you are required to pay this amount plus an administration fee by credit card before we order the trip unless your Membership option includes this service.

We do not guarantee a response time.

A maximum of four people may be transported.

Multiple drop off points are not permitted and you may not direct the driver to deviate from the AA-authorised route.

You do not need to pay the driver any amount. If you do so, you may not claim it back from us.

12. REFUNDS

Our service providers may occasionally require payment for the services rendered to you. In such cases, please check our terms and conditions to see if you can claim a refund from us.

We shall only provide refunds for services that have been authorised by us in advance and in accordance with your Membership benefit entitlement.
