Draft your Will and you will get 25% cover on your legal fees, when you pass away. Through our new association with Capital Legacy you can get your Will drafted for free.

## Why do you need a Will?

You decide who will inherit your assets.

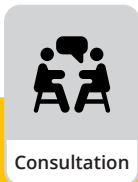

You can appoint a Guardian, of your choice, for your minor Children.

You can set up a Children's Trust for your minor Children, to prevent their inheritance from being squandered by a Guardian or being paid into the Government's Guardian's Fund.

You can list any Special Bequests in your Will, ensuring your family heirloom goes to the right family member.

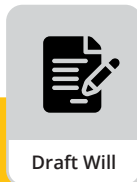

If there are no uncertainties, your Estate can be finalised as soon as possible, to your loved ones' benefit.
