DISCOUNTS

NOTE: Discounts offered at specific toll plazas for **frequent users**, as well as qualifying **local users** still apply. Application for discounts can be made at the **toll plaza offices**.

REVENUE STREAM

Toll fees allow for a continuous **revenue stream** provided by those that make use of a tolled road. **Toll fees** mean there will **always be funds** to optimally **maintain roads**, which makes **roads safer** and **saves money** in the long run.

MAINTENANCE

Roads need to be kept in **optimal condition** at all times. They deteriorate over time due to **wear and tear** from traffic loading (especially trucks) and **climate** (rainfall and UV radiation). The maintenance of roads is not a once-off occurrence – it is a **continuous process** to ensure optimal performance.

COLLECTION OF TOLL FEES

allows us to (among others):

- **Clean drains** to ensure effective drainage of rainwater
- **Cut grass** to improve visibility and reduce the risk of veldfires
- Seal **surface cracks** and fix **potholes**
- Maintain **road signs** and **markings**
- Respond to **crashes** and **clean up** debris
- **Resurface the road** on a periodic basis
- **Add additional lanes** when required.
