

AA Membership Terms and Conditions

1. MEMBERSHIP

By becoming an AA Member you are agreeing to be bound by these terms and conditions. In these terms and conditions:

'Accident' means any incident which causes damage to a vehicle;

"Family" means the primary member, their legal spouse or life partner, and their children (including biological, adopted, or stepchildren), irrespective of whether such children reside at the same physical address as the primary member, provided that they are under the age of 25 (twenty five) or are financially dependent on the primary member;

'Insured Event' is an event which is covered by most comprehensive vehicle insurance policies. This includes an Accident, hitting a pothole, a vehicle catching fire and attempted theft of a vehicle;

'Member' and **'Membership'** refers to membership of the AA, or, where applicable, any nominated individuals under the AA Family Membership.

'Roundtrip' means the distance from the nearest Tow Service provider's yard or standpoint to the scene of the breakdown, to the drop off point and back to the depot or Tow provider's yard or standpoint. The drop off point may include the member's specified destination;

'Rural' means those areas which are not Urban areas;

'Urban' means the City of Johannesburg, central Ekurhuleni, Tshwane, Cape Town and some surrounding areas, Port Elizabeth, Bloemfontein, Mbombela, Durban and some surrounding areas, Rustenburg and Polokwane; and

'We', 'us', 'our' and like terms refer to the Automobile Association of South Africa NPC ('AA') (and where applicable our service providers) and **'you', 'your'** and like terms refer to you, the individual AA Member. Only natural persons may be AA Members, and the benefits of AA Membership are for non-commercial purposes only.

You take responsibility for any person receiving any services from us also abiding with these terms and conditions.

Unless otherwise stated, Membership and the associated benefits are personal to you i.e. benefits are not transferable and do not extend to family members or other passengers. Spouses and dependents of Members qualify for the shared benefits and bundled membership rate under the AA Family product.

Membership is for 12 (twelve) month periods from the date of activation. Your payments must be up to date for you to be entitled to the benefits of Membership. Changes to members in the AA Family package will be subject to a 72 (seventy two) hours waiting period.

A member may not change their membership status midway through the term, such as upgrading from a family to an individual membership or transitioning from a beneficiary/dependent to a principal/primary member in order to gain additional benefits. Any changes in membership type or status will only be allowed at the time of membership renewal or expiry.

The cost of Membership will increase each year.

2. CANCELLATION AND RENEWAL

You have the right to cancel your Membership in writing within 5 (five) business days of the date on which your Membership first becomes active (the 'cooling off period').

The following refund policy will apply for Members cancelling within the cooling off period:

- If you have utilised any of our services during the cooling off period, you will receive a full refund of the total Membership fee paid, less our charges for services rendered. If the charges for services rendered amount to more than the total Membership fee paid, the difference will be payable by you.

Such charges will not be charged at Member-preferred rates. If you were paying for your Membership by direct debit you authorise us to take the relevant additional amount from your nominated account by direct debit.

- If you did not utilise any of our services during the cooling off period, you will receive a full refund of the total Membership fee paid.

We will notify you between 40 (forty) and 80 (eighty) business days before the end of your current 12 (twelve) month membership period. If you do not cancel your membership by the end of your current term, your membership will automatically renew for a further 12 (twelve) months at the then-prevailing rates.

This ensures uninterrupted access to member benefits and avoids gaps in cover that may result from month-to-month arrangements. You may cancel at any time during the renewed term by giving 20 (twenty) business days' written notice, subject to a reasonable cancellation fee.

If you wish to cancel within a 12 (twelve) month Membership period you must provide 20 (twenty) business days' notice in writing and will be liable to pay a reasonable cancellation penalty. If the charges for services rendered amount to more than the total Membership fee paid in the relevant 12 (twelve) month Membership period, the difference will be payable by you as part of the cancellation penalty. Such charges will be charged at Member-preferred rates. If you were paying for your Membership by direct debit you authorise us to take the relevant additional amount from your nominated account by direct debit.

The deceased cancellation process allows for a refund if the member passes away prior to the renewal date. If the member passes away during the membership period, a **pro-rated refund** will be issued. Please note that for month-to-month subscriptions, no refund will be provided. This refund policy applies only to annual subscriptions.

Please see below regarding the deemed cancellation of your Membership due to unpaid debit orders.

To be eligible to receive any services you must be present at the vehicle/incident scene and produce personal identification in order to confirm your AA Membership.

3. ENTITLEMENTS

75 Membership entitlements do not cover incidents that happened before you joined us.

We provide services in South Africa. Should you require assistance in Lesotho, Swaziland, Namibia or Botswana we shall attempt to assist but do not guarantee that we can assist.

We do not guarantee response times since these will vary depending on various factors e.g. location, traffic, weather conditions and the demand for assistance at the time of your request.

80 It is your responsibility to keep your contact details up to date.

We may introduce new services and/or amend and/or cancel existing services without prior notice.

Without prejudice to any of our other rights, we reserve the right to deny services and refunds to, and cancel the Membership of, any Member who in our opinion is or has been, abusive, threatening or violent toward any AA staff member, or who attempts to receive services (including refunds) by deception.

85 We may amend any of our terms and conditions at any time. The amended terms and conditions shall take effect from the date they are published on our website. **Where there is a need for clarification of our terms and conditions or relating to your entitlements, our reasonable interpretation will be deemed to be final.**

Payment for any service is not guaranteed unless our prior authorisation has been obtained.

90 Where payment is required by you for services over and above your entitlement, you will be required to make the payment prior to, or on completion of the service. You may be required to pay the service provider directly.

We offer no warranties with regard to any of the services we offer.

All our terms and conditions contain the entire agreement between you and us and we shall not be bound by any undertakings, representations or warranties not recorded in them.

95 No indulgence, latitude or extension of time we may grant or show to you shall constitute a novation of our terms and conditions, nor shall it in any way prejudice us or preclude us from exercising any of our rights in the future.

100 In order for us to be able to locate you and your vehicle you must provide us with the correct and accurate location. If you provide incorrect or incomplete information it may result in delay and/or additional costs for your account.

4. LIMITATION OF LIABILITY AND INDEMNITY

To the fullest extent permitted by law neither we nor our service providers will be liable for any loss or damage suffered as a result of any services we or our services providers render, or fail to render.

105 Without prejudice to any other remedy available to us, you indemnify us and our service providers against any loss or damage suffered by us and/or our service providers as a result of you and/or any person receiving a service via your Membership breaching any of our terms and conditions. This benefit may be accepted by our service providers at any time.

5. PERSONAL INFORMATION

We hold your personal information securely.

110 We may update or amend the terms of our Privacy Policy at any time without prior notice. It is your responsibility to review the current version regularly, as indicated by the revision number and date noted at the bottom left of the cover page of this document. By continuing to use our Services after any changes have been made, you agree to be bound by the updated Privacy Policy.

115 By becoming a member and using our Services, you consent to the use of the personal information you provide to us and confirm that you have obtained the necessary consent from any data subjects whose personal information you share with us, for use in connection with these services. We warrant, represent,

and undertake on an ongoing basis that we comply with all applicable data privacy legislation. Please see our **PRIVACY POLICY** for further details <https://www.aa.co.za/privacy-policy>.

6. DEBIT ORDERS

120 For members on an annual debit order payment plan, the annual membership fee will be collected in full by way of a debit order processed 1 (one) month in advance of the membership start date or renewal date.

125 Please note that AA Membership is for a 12 (twelve) month period and payment is reoccurring. Your Membership will lapse and you will not be entitled to receive any benefits if your debit order is unsuccessful. We may automatically re-submit the debit order up to 3 (three) times on the next debit order run (1st, 15th and 25th of the month). We may contact you during a period of 150 (one hundred and fifty) days following the first failed debit order to attempt to rectify the non-payment(s). If your Membership has not been restored during this period it will be deemed to be cancelled and you will be required to pay, without prejudice to any of our other remedies, a reasonable cancellation penalty which will partly depend on how many of our services you have used during your Membership.

7. BENEFIT LIMITS

130 The entitlements per Membership option per 12 (twelve) months of Membership (calculated from the date you activated or renewed your Membership) are set out in the table below. Note that some services e.g. Fuel Rescue are limited.

Each assistance in excess of 5 for AA Prime and 12 for AA Family, will be individually considered in terms of the AA's FAIR USE POLICY.

8. FAIR USE POLICY

The AA is a non-profit company. The prices and benefit entitlements for each Membership option have been carefully calculated using industry norms and our own historical usage patterns. It is therefore imperative that benefits are not abused. The AA reserves the right to charge for assistances should you exceed allocated callouts.

- AA Go members obtain 3 (three) entitlements (callouts) per a 12 (twelve) month subscription which are all limited to Patrol Service - only 2 (two) fuel assistances, which form part of the callouts.
- AA Prime members obtain 5 (five) entitlements (callouts) per 12 (twelve) month subscription - only 2 (two) fuel assistances, which form part of the 5 (five) callouts.
- AA Family Members receive 12 (twelve) shared entitlements (callouts) per 12 (twelve) month subscription. This includes up to 5 (five) fuel assistances, which form part of the 12 (twelve) callouts and are shared among all nominated members. The entitlements are inclusive of roadside and medical assistance. These memberships are found in the Benefit table.

Patrol Services are only available in Urban areas and provide the following assistance:

General roadside assistance

Roadside assistance is limited to the assistances detailed below, minor electrical and mechanical diagnoses, changing a flat tyre and jump starts.

Exclusions of vehicles from jump starting: Mini Coopers; Motorbikes; and Electric vehicles.

However, should we not be able to assist with a jump start, we will assist with a tow to the nearest dealer to assist you.

Our roadside assistance service does not carry out repairs to vehicles. If we dispatch a patrol vehicle but your vehicle remains immobilised, we shall tow your vehicle in accordance with your towing benefit entitlements.

Fuel Rescue

If you are travelling on the road and your vehicle runs out of fuel, we will supply up to 10 (ten) litres of fuel to allow you to reach the nearest filling station. If you require more than 10 (ten) litres of fuel, you will be liable for the cost of the additional fuel. Please refer to **BENEFIT LIMITS** for further details. All fuel rescue assistances are subject to us being satisfied that the vehicle has actually run out of fuel. Fuel assistance is only available as a result of emergency roadside assistance and not available where/when the vehicle is located at a residential address or at a fuel station.

The AA reserves the right to withhold this benefit if the vehicle is found to be in close proximity to a fuel station. If a Member requests fuel assistance at a residential address, this benefit becomes a pay-on-use service, and the Member will be quoted the cost at the time of the request.

Keys locked in vehicle

We shall assist you if you lock your keys in vehicle. If our patrol service is unable to assist we shall procure the services of a locksmith **and will cover the cost up to R643.00 (six hundred and forty three Rand) (including VAT). Any additional cost will be for your account.** We only cover the cost of the call out and for unlocking the vehicle. We will not, for example, cover the costs of the repair/replacement of locks, ignition switches or key cutting. Please note a locksmith may be unable to assist in the case of keyless entry vehicles etc.

You may be required to pay the locksmith directly and recover the cost from us - see **REFUNDS** below.

Flat tyre change

We shall change a flat tyre with your spare tyre if we are able to e.g. we shall not be able to change your tyre if your spare tyre is not in a roadworthy condition or if we are unable to remove the spare tyre from its housing. If we are unable to change the tyre or if your vehicle does not have a spare tyre we shall tow your vehicle in accordance with your towing benefit entitlements. We do not pay for the repair of a damaged tyre or rim.

New batteries

If your vehicle's battery cannot be jump-started, we can sell and fit a new battery at preferential Member rates on the spot, subject to availability. This service is only in urban areas. If we are unable to assist we shall tow your vehicle to a battery shop in accordance with your towing benefit entitlements. Please note that in areas outside of Gauteng, Cape Town, and Durban, this service is subject to the operating hours of the nearest battery depot.

All batteries come with a national 24 (twenty four) month battery warranty. Should an AA-supplied battery be replaced within the 24 (twenty four) month warranty period, only the balance of the original warranty period will apply. The price of the new battery is based on the return of the old

battery to the AA for environmental and safe disposal. If you wish to retain your old battery, a scrap charge will apply.

10. EMERGENCY MEDICAL SERVICES

205 By using the services detailed below (the 'services'), you are agreeing to be bound by these terms and conditions.

'We', 'us', 'our' and like terms refer to the Automobile Association of South Africa NPC ('AA') (and where applicable our service providers) and 'you', 'your' and like terms refer to you, the person receiving services from us.

210 We may amend any of our terms and conditions at any time. The amended terms and conditions shall take effect from the date they are published on our website.

Where there is a need for clarification of our terms and conditions, our reasonable interpretation will be deemed to be final.

215 All our terms and conditions contain the entire agreement between you and us and we shall not be bound by any undertakings, representations or warranties not recorded in them. To obtain access to the services you must call the AA on 0861 000 234. You may not call our service provider directly.

The services are only available in South Africa.

We do not guarantee the availability and/or provision of the services. The services do not include search and rescue services.

If our service provider is unable to recover its costs the AA as a non-profit company will pay the costs as a payer of last resort. You agree to provide all the assistance we ask for to enable our service provider to recover its costs from a party other than the AA and irrevocably appoint the AA as your agent in this regard.

225 Where the Emergency Medical Condition is attributable to the act or omission of any third party under circumstances entitling you to recover damages for such Emergency Medical Condition from such third party or otherwise, you hereby to cede your rights of action against such third party or otherwise to the AA to the extent of the amount paid by the AA for the services.

230 The AA will not pay any of our service provider's costs if you do not adhere fully to these terms and conditions and/or you are not entitled to use the services. You will be liable to pay such costs yourself.

10.1 LIMITATION OF LIABILITY & INDEMNITY TO EMERGENCY MEDICAL SERVICES

This benefit may be accepted by our service providers at any time.

11. TOWING SERVICES

Please note if we tow your vehicle you are also agreeing to the additional terms and conditions set out below under **IMPORTANT INFORMATION**.

If you are further than 100km from your home please refer to **EXTENDED BENEFITS** below.

Please note that only AA Prime and AA Family Membership options include tows required as a result of an Insured Event.

Only the following vehicles may be towed:

- vehicles in which you as a Member were travelling (either as a passenger or a driver), or if a vehicle owned by you will not start;
- vehicles having a gross vehicle mass of less than 3.5 tons;
- vehicles that may be legally used on South African public roads;
- vehicles that do not exceed 5.5m in length, 2.5m in width or 2.6m in height; and
- vehicles in a roadworthy and working condition prior to the incident.

We shall attempt to provide assistance in relation to motorbikes, caravans and trailers but do not guarantee that we can assist. Taxis and other vehicles used for commercial purposes are not covered.

We are only able to tow vehicles that are accessible e.g. the keys must be available to enable us to enter the vehicle and to unlock the steering mechanism.

Depending on the information you give us we will decide in our discretion whether to send a patrol vehicle or to send a tow truck. If necessary, we will tow your vehicle to a place of safety or an AA approved dealership. As an AA Member, if you choose a different repairer, which distance to their workshop exceeds the kilometre benefit due to you, the difference in distance will be at your own cost. If you select a repairer outside of the covered kilometre radius, the full cost will be your responsibility.

In the event of a towing operation necessitating the secure storage of your vehicle by the AA, it is hereby stated that the AA assumes no responsibility or liability for any eventualities arising during the period of storage. By consenting to the AA's provision of storage services, you, as the member, acknowledge and accept that the AA disclaims any responsibility or liability pertaining to the condition or fate of your vehicle during storage.

The Member is responsible to remove all valuables from the vehicle before it is towed.

Save as set out below, vehicles will only be towed from the scene of the breakdown or Insured Event. You must remain with your vehicle and present identification when our service vehicle arrives. If you are not at the vehicle when the service vehicle arrives the service vehicle may leave the scene.

Should the tow occur after hours and no repair centre is open, or if your preferred repairer is unable or unwilling to accept the vehicle, the AA will ensure the vehicle is safely stored, either by towing it to your home or to the AA or an AA-approved storage facility. The first night's storage is free but any storage costs

340 (charged at a daily rate) over and above this will be for your account. The following business working day we will tow your vehicle to a place of safety or an AA Approved dealership. Tow truck drivers are not permitted to attempt any repairs.

You are responsible for booking your vehicle with a repairer, although we will assist with bookings with AA Quality Assured repairers where possible.

345 In instances where an AA tow truck is not available one of our AA-approved contractors may be used. You may be required to pay the AA-approved tow contractor we have dispatched and request a refund from the AA - please refer to REFUNDS below.

If you cancel a tow after we have dispatched a tow vehicle, this will count as an assistance in terms of your Membership entitlement. Where specialised recovery or salvage equipment is needed, the cost of equipment and labour will be for your account.

350 If you do not wish to use our TAXI SERVICE offering (see below), our tow trucks will give a lift to those passengers up to the legal capacity of the towing vehicle to the place where your vehicle is to be dropped off. Any further travel will be for your own account. Please note this applies to tow trucks only and not our Patrol vehicles. No passengers are allowed in a vehicle being towed or transported. We can assist you in arranging additional transport for passengers who cannot be accommodated in the tow truck, but the costs will be for your account.

355 Should you breakdown with your pet, the AA will transport your pet in the AA tow truck cabin if your pet can be placed into a proper transporting cage provided by you. Should this not be possible, your pet will be required to travel in the vehicle being towed. In the event you are incapacitated, the AA will attempt to coordinate the rescue of your pet from the breakdown scene in conjunction with the SPCA and inform you of your pet's whereabouts as soon as possible. Although every effort will be made to ensure your pet's safety, we do not accept responsibility for your pet's well-being.

12. TOWS REQUIRED AS A RESULT OF AN INSURED EVENT

365 Please note tows required as a result of an Insured Event are included in the towing benefit entitlement in the case of AA Prime and AA Family Members only. Other Members will be charged on a pay-on-use basis at preferential Member rates. If your insurance company instructs us to tow the vehicle to a specific destination (for example for the vehicle to be assessed), we shall tow the vehicle in accordance with your insurance company's instruction.

370 Only 1 (one) such tow is allowed per vehicle per incident, although if the tow occurs after hours and no repair centre is open, or if your preferred repairer is unable or unwilling to accept the vehicle, the AA will ensure the vehicle is safely stored, either by towing it to your home or to the AA or an AA-approved storage facility. The first night's storage is free but any storage costs (charged on a daily basis) over and above this will be for your account. The following business working day we will tow your vehicle to a place of safety or an AA approved dealership. As an AA Member if you choose a different repairer, the difference in distance will be at your own cost.

13. EXTENDED BENEFITS

375 These terms and conditions apply if you require assistance more than 100km from your home. Your home address must be correct on our records in order for you to be eligible for Extended Benefits.

This benefit is only available in South Africa.

Not all Membership options include Extended Benefits and all Extended Benefits are subject to various limits. Please refer below and to **BENEFIT LIMITS**. Please note in particular:

1-Accommodation

You will be required to arrange and pay for overnight accommodation. The choice of overnight accommodation is at the discretion of the Emergency Call Centre, and we will cover the cost of bed and breakfast accommodation only, to a maximum of R2,000.00 (two thousand Rand) per night. Please note your normal towing benefit remains available to you as per your Membership entitlement.

OR

2-Transport arrangements

If you prefer to continue your journey, or to return home, we will arrange transportation to help you reach your destination by the most direct route. If, at our discretion, car hire is the most suitable arrangement, we will pay for one day's (24 hours) car hire for a Group B Vehicle. You will be required to sign a separate agreement with our service provider containing their standard terms and conditions. We will only be responsible for the car hire cost (with the service provider's standard waiver), the kilometre and the delivery charges. You will be personally responsible for all other costs. These costs may include, but are not limited to:

Please note your normal towing benefit remains available to you as per your Membership entitlement.

OR

3-Long distance towing

We will tow your vehicle at Member-preferred rates

- You agree to pay for all charges not covered by your Membership entitlement without set-off or deduction. These charges are either payable in advance or on presentation of an invoice, whichever is the earlier. We reserve the right to charge interest at the maximum permissible rate on unpaid charges from the date the payment became due to the date of payment compounded monthly in arrears. If we approach an attorney to recover our charges, you agree to pay our legal costs on an attorney and own client scale.
- We have a lien over the vehicle as security for all amounts due to us.

- You warrant that you are the owner of the vehicle being towed or have the authority of the owner to have the vehicle towed. Without prejudice to the general indemnity stated earlier in these terms and conditions, you indemnify us against any loss or damage suffered by us as a result of this warranty not being true.
- You agree that should the vehicle not be reclaimed within 90 (ninety) days from the date of towing, or should your indebtedness not be settled within 90 (ninety) days after having become due, we shall be entitled, without further notice:
 - to take the necessary legal steps in order to obtain ownership of the vehicle;
 - sell the vehicle in such a manner and on such terms and conditions as we deem fit;
 - to apply the proceeds of any sale (after deducting all expenses thereof) in payment or reduction of any amount due by you to us (including storage charges), and any surplus shall be paid over to you after the sale (if we are able to locate you). until your Extended Benefit wallet is exhausted. Once you exceed the available funds, you will be responsible for the additional towing charge.

Please note your normal towing benefit remains available to you as per your Membership entitlement. This can be added to your Long distance towing benefit. Once this tow distance is exceeded the costs will be for your account at preferential Member rates.

The Extended Benefit wallet may only be used for Extended Benefits provided by us. Unused funds in your Extended Benefit wallet do not roll over and may not be cashed out.

14. IMPORTANT INFORMATION

If we tow your vehicle you are agreeing to the following:
